

## Refund request form for MIC Workshops

The PhD Specialization Program Cutting Edge Microscopy (CEM) can provide reimbursement for MIC Workshops to PhD students enrolled in the Graduate School for Cellular and Biomedical Sciences (GCB). The amount of the reimbursement depends on the budget of the CEM PhD specialization program. Therefore, the program administration reserves the right to a percentage reduction or a spending limit.

Please submit the completed form to Prof. Ruth Lyck ([ruth.lyck@unibe.ch](mailto:ruth.lyck@unibe.ch)) and the CEM administration ([info@mic.unibe.ch](mailto:info@mic.unibe.ch)).

### 1. Personal and Course Data

Last name		First name	
Title of the course			
Course instructor(s)			
Amount requested		KSL/CTS Nr.	
Course dates
