

## VIRTUAL USER MEETING & WORKSHOP

# When size doesn't matter: meet ImageXpress Pico, the miniature but mighty microscope

### SAVE THE DATE

March 2, 2021

09:30–15:30 GMT

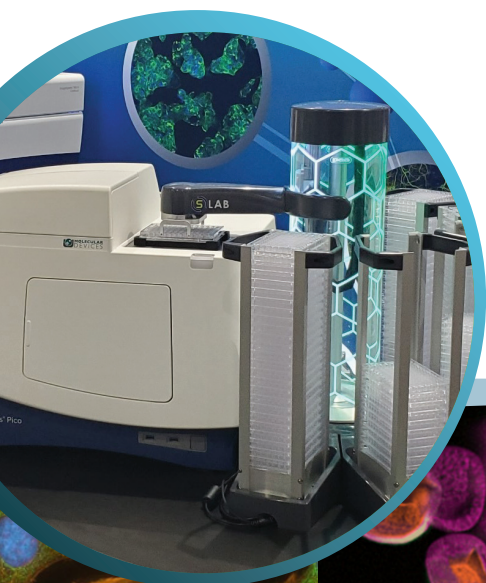

10:30–16:30 CET

We'd like to invite you to participate in our free upcoming virtual user meeting and workshop for the ImageXpress Pico Automated Cell Imaging System. In this exciting program, you'll hear short scientific talks from fellow researchers and be able to participate in live "ask the expert" sessions. You will also get the chance to see samples being acquired live with the ImageXpress Pico System.

### Want to join the meeting?

Please contact your local Molecular Devices Account Manager or email application scientist [matteo.cattaneo@moldev.com](mailto:matteo.cattaneo@moldev.com).

We look forward to welcoming you at the virtual event.
