# Join the PhenoCycler-Fusion World Tour

## Experience PhenoCycler-Fusion in a city near you!

The PhenoCycler-Fusion System is the **fastest spatial biology solution** for whole slide imaging at single-cell resolution. Now you can spatially phenotype your entire tissue in a matter of hours.

**JOIN US!** Join this event as part of our world tour series, to gain more insights into this breakthrough technology.

- Learn how the new PhenoCycler-Fusion can scale your discoveries by unlocking speed and throughput
- Hear from spatial biology experts as they explain their visions and future aspirations to advance spatial biology
- Reconnect and network with peers over drinks and canapes.

### GUEST SPEAKERS:

*Pascal Bamford,  
Senior Vice President,  
R&D and Laboratory  
Operations, Akoya  
Biosciences*

*Christian M  
Schürch, M.D., Ph.D.  
Professor of Pathology,  
Senior Consultant  
Physician, Institute of  
Pathology, University  
Hospital Tübingen*

*Karīna Siliņa,  
Group Leader, Dept.  
of Pharmaceutical  
Immunology, ETHZ*

## SEE US IN ZURICH

Congress Hall, 1. OG,  
Startup space by IFJ  
Wiesenstrasse 10a  
CH-8952 Schlieren,  
Switzerland

Friday, 20th May 2022

**10.30am – 3pm**

# Join the PhenoCycler-Fusion World Tour

**Agenda | Zurich, Switzerland**  
**Friday, 20<sup>th</sup> May 2022**

- 10.30am Registration and Refreshments
- 11.00am *Catalyzing the Spatial Biology Revolution*  
**Pascal Bamford, Senior Vice President, R&D and Laboratory Operations. Akoya Biosciences**
- 11.30am *Spatial Phenotyping Solutions: From Discovery, to Spatial Signatures at Scale*  
**Björn Wendik, Applications Scientist, Akoya Biosciences**
- 12.10pm *PhenoCycler-Fusion Analysis Framework*  
**Anne Kwei, Product Manager, Software, Akoya Biosciences**
- 12.30pm *Guest Presentation*  
**Christian M Schürch, M.D., Ph.D. Professor of Pathology, Senior Consultant Physician, Institute of Pathology, University Hospital Tübingen**
- 12.55pm *Guest Presentation*  
**Karina Siliņa, Group Leader, Dept. of Pharmaceutical Immunology ETHZ**
- 1.15pm Lunch and Networking Session – View the PhenoCycler-Fusion
- 3pm Meeting Close
